Overview

Omniessa Workspace ONE integrates access control, application management and multi-platform endpoint management into a single platform and is available as a cloud service or on-premises deployment.

Pricing example

SKUs provided in the pricing tables cover 12-, 24-, and 36-months term. To calculate the total price, multiply the per month price provided with the preferred term length required. For 24- and 36-months term, additional discounts will be applied to demonstrate the benefits of longer-term purchases as shown in the illustrative example below.

Please contact Omniessa sales for further information.

Pricing table example -			
WSD-AMDMP-12PT0-C1S	12-month prepaid SKU	Product description including components, minimum numbers, and support coverage	£2.45 per device per month
WSD-AMDMP-24PT0-C1S	24-month prepaid SKU		£2.30 per device per month
WSD-AMDMP-36PT0-C1S	36-month prepaid SKU		£2.16 per device per month

Pricing Options

When licensing Workspace ONE in a device-license model, the SSO and Access Control technology is restricted to work only on licensed devices and from managed applications. Organizations looking to enable or allow access to enterprise applications from any web browser, must license Workspace ONE in a per-user license model.

Pricing Considerations

Please refer to the below key points when considering buying Omnisca offerings:

- Pricing based upon a 12m prepaid subscription with 24, 36 month prices available upon request
- Shared Cloud environments have a minimum requirement of 25 devices / user in the initial order
- Preferred SaaS environments have a minimum requirement of 500 devices / user in the initial order
- Preferred SaaS environments including UAT require a setup fee per environment
- In life upgrade pricing runs for the duration of the initial contract before reverting to standard pricing for any extended term beyond the initial period.

Add-ons

Add-ons are value added services that can be purchased in addition to the core Workspace ONE UEM. These services are optional and are priced and charged separately.

Workspace ONE Assist
