Basware Guardian for AP G-Cloud 15 Pricing

Basware Guardian for AP is priced as follows:

1. The customer chooses the minimum annual invoice volume commitment they wish to make (Invoice Annual Band noted in the table below) which sets the Annual SaaS Fee. Customer must be aware that there are different charges depending on whether the customer is a Network only customer or if they are adding on to an existing AP Automation contract.
2. Any documents that are processed over the annual band would incur an overage fee, as per the Overage Fee noted in the table below.
