

Basware Marketplace G-Cloud 15 Pricing

Basware Holdings Ltd

The Basware Marketplace charges as made up of two components:

1. Catalogue content access
2. Transactions (eRFQ, Purchase Order, Credit Note, Invoice etc)

Please note that customers will require Specialist Cloud Services which are priced separately (see SFIA rate card and Specialist Cloud Services price list)

Catalogue Content Charges

A monthly subscription is charged for access to the catalogue content solution based upon the 'Tier' in which the customer's Annual Procurement Spend on 3rd party goods and services falls as shown in the table below. The tariff price (Column C) is that which the customer will pay annually upon receipt of the service. Please note that the monthly subscription is re-set annually for the life of the call off arrangement.
