AvePoint Pricing Terms

- Pricing is based per unit of measurement as outlined per month.
- The minimum subscription length is 12 months.
- The minimum number of users that can be licensed is 500 users/objects.
- Licenses are calculated based on your Microsoft 365 assigned licenses. For example, 1,000 M365 assigned licenses = 1,000 Fly Licenses.
- Prices exclude VAT and are in pounds sterling.
- Prices are for software only and do not include Professional Services.
- Prices do not include any other vendor software such as Microsoft Office 365 licenses.
- Further Terms can be reviewed in the Call off contract master agreement and in the terms and conditions document published in G-Cloud.
