# Hybrid Testing Team Service

Combining Ten10's Quality Engineering and Software Testing services with our Academy, leverages experience and knowledge with scale and efficiency. Senior consultants deliver immediate solutions and lead and develop Academy Engineers while focusing on your delivery objectives and priorities. When our services conclude, permanent employment may be offered to the Academy Engineers.

## Features

- Experienced Ten10 consultants develop Academy Engineer(s) while delivering client objectives and priorities
- Option to retain Academy Engineers permanently after an agreed time

## Benefits

- Ensures continuity of quality and test professionals along with long-term capability/knowledge retention
- Cost-effective blended team structure
- Overcome the challenges of attracting technical test talent
