AWS Migration Assessment (MAP Assess)

Our Migration Assessment package helps organisations plan their cloud migration to AWS. Our experts provide a comprehensive business case, AWS platform design, and migration plan tailored to your specific needs. We work closely with your team to ensure a smooth and successful transition to the cloud.

Features

- Detailed business case with executive summary and cost analysis
- AWS cost model and migration cost analysis
- Migration strategy tailored to your organisation's requirements
- Target AWS design based on Well-Architected framework
- Risk assessment of migration to identify potential challenges
- Team skills gap analysis for effective cloud adoption
- Deployment model recommendations
- Infrastructure build, acceptance test, and migration plans
- Training plan to upskill your team for AWS
- Handover and support plan for post-migration success

Benefits

- Supported by exclusive funding from AWS (Migration Acceleration Programme)
