

Iken Cloud Case Management

Pricing

G-Cloud 15 Pricing

Iken Cloud Case Management subscription (SaaS) user price banding as follows:

PRICE BANDS		
	Users	Price
Band 1	1 - 10 Users	£98 per user per month
Band 2	11 - 30 Users	£90 per user per month
Band 3	31 - 50 Users	£78 per user per month
Band 4	51 - 100 Users	£58 per user per month
Band 5	101 - 150 Users	£52 per user per month
Band 6	151 - 250 Users	£49 per user per month

The user subscription fee includes application hosting in MS Azure UK data centre, automatic feature releases, maintenance, patching and disaster recovery, as well as access to our support team, a dedicated Iken Account Manager and membership of the Iken User Group.

Iken Connect is available as an optional add-on to Iken Cloud, providing secure, role-based collaboration for internal and external stakeholders.

IKEN CONNECT		
The Iken Connect licence is priced at 30% of your Iken Cloud subscription total (based on Iken Cloud price bands detailed above). It scales with your Iken Cloud user count. Example: 45 Iken Cloud user subscriptions at £78 per user per month		
Iken Cloud Case Management	£3,510 per month	£42,120 per year
Iken Connect (30%)	£1,053 per month	£12,636 per year
Total Combined Subscription	£4,563 per month	£54,756 per year

Iken Services

- ✓ Including onboarding, data migration, project management, technical consultancy, training and any other allied services requested by the customer

£800 per day

Prices detailed above do not include VAT or expenses for travel, accommodation or subsistence for services requested by the customer provided on customer premises (e.g. training of end users).
