

OCF Private to Public Cloudburst – Pricing Overview

Service	Cost (ex VAT)
OCF HPC Cloudburst using Slurm Pre-packaged project as described above, including 12 months break/fix support.	£20,000.00
25x OCF Service Credits OCF will provide remote consultancy at the request of the customer to perform environment change requests to a customer environment. All work must be pre agreed with the OCF Professional Services team and where feasible a Statement of Work Document must be drafted and pre-signed between both parties before any consultancy work will commence. Used and unused hours will be accounted for within the OCF web base support portal. Usage reports can be generated at the request of the customer at any point. Used units are based on 1x hour of remote time at a minimum, 8x units will constitute an entire working day of consultancy, 12x units can be converted into an onsite consultancy day if required, this must be pre-agreed with the OCF Professional Services team before conversion. OCF Service Credits are valid for 12 months.	£4,062.50
1x Day on-site Consultancy	£1,500.00
1x Day remote Consultancy	£1300.00
1 Year Managed Services Contract	£75,000.00
Additional Year OCF Break/Fix Support Monday-Friday 9:00 – 17:00	£7500.00
