

Standard	From £500 per month
Standard Plus	From £800 per month
Premium	From £1,250 per month

Pricing model: Subscription-based, per calendar month

Contract term: Minimum 12 months

Hosting: Secure UK-hosted cloud environment

Pricing varies based on:

Number of assessments

Number of users / organisations

Storage requirements

Optional additional environments

Pricing is based on platform tier and intended usage. Higher tiers support increased assessment volumes, additional users, extended storage, and multiple environments. Exact pricing is confirmed following a short scoping discussion to ensure alignment with organisational requirements.
