

Probrand Procurement Platform Pricing Options

Overview

Probrand's Procurement Platform provides organisations with a powerful, modern digital platform that simplifies the sourcing, purchasing, and management of IT products and services. Designed for flexibility, our pricing proposal outlines the options from our free-of-charge entry tier through to fully managed catalogue services, allowing you to select the level of support and control that best fits your organisation.

Pricing Options

Free-of-Charge Platform Licence

Ideal for organisations seeking immediate access to a compliant, easy-to-use procurement environment without financial commitment.

Includes:

- Access to the core Probrand Platform
- Real-time pricing and stock visibility
- Streamlined purchase workflows
- Basic reporting dashboards

Managed Catalogue Service

£5,000 per year – unlimited number of users

Our premium service for organisations that would benefit from a customised procurement platform experience.

Probrands managed Catalogue service provides you with a tailored Procurement Platform environment with;

- A customised home page with the layout you require
- Your Organisations Brand Logo displayed on the homepage
- Brand or organisation internal User Messaging displayed to your users
- Single Sign on integration with your user access control system
- Consultation and onboarding with a dedicated Digital Experience Executive for ongoing optimisation.

Next Steps

We would be delighted to discuss your requirements in more detail and help you determine the most suitable licensing option. A tailored proposal can be provided upon request, including implementation timelines and any optional service additions.
