License costs

License costs - Workday

- Given the comprehensive capabilities of Workday, the following price card reflects pricing as of 18th December 2025 for Workday Core licensing. Note Workday is modular so license costs will increase as you add to the Core licensing (e.g. Talent, Payroll).
- Please note that the pricing provided is indicative and excludes service delivery, organisational change management, training, and DXC's professional managed services offerings.
- As a strategic Workday partner, DXC delivers market-leading pricing for licenses, implementation, and ongoing management, supported by industry-leading customer satisfaction. For additional details or to explore how DXC can support your organisation, please contact us directly.

SKU	Cost (per year)
Workday Core (1,000 users)	£~80 per employee
Workday Core (10,000 users)	£~50 per employee

Implementation service costs

DXC Implementation Services

- Implementation services leverage some of the following roles via a Project or Staff Augmentation approach.
- Projects can be T&M or Fixed Price
- Project costs are dependent on scope (please contact DXC for project proposals).
- Hybrid delivery roles (onshore/nearshore/offshore) or pure onshore options available
- Rate discounts are dependent on project size.
- Please refer to the following table showing our Rate Card for 2025/26. The roles and rates shown can be subject to change so please contact DXC for the latest information.

Near-shore Technical Consultant	£87.78
Near-shore Trainer	£87.78

DXC Implementation Services

The DXC Technology rate structure provides customers to select either UK Based (Local Delivery) or Off-Shore Consultants within each category depending on the delivery model chosen.

The engagement can be either fixed price or on a time and materials basis. DXC pricing is based on per-day rate cards aligned to the SFIA framework definitions and separate rates exist for onshore and offshore rates.

- **UK-Based On-site** (Customer premises) and / or DXC UK Locations
- **Regional Delivery** Leveraged Global / Regional Delivery from a DXC site
- **(India and Bulgaria)** dependent on consulting expertise / location and security requirements.

Note: Other offshore locations are available; pricing is available depending on the service required. The benefit to your business is that DXC can provide an efficient and economical delivery model allowing clients to add technical resources quickly to meet growing needs. We would be delighted to engage with you and determine the best fit for your projects in order to achieve the outcomes you need. Once agreed, this would form the basis of the order, and be subject to the Call-Off and DXC Terms, and Conditions, which support this service.

- **Consultant's Working Day** – 7.5 hours exclusive of travel and lunch.
- **Working Week** - Monday to Friday excluding national holidays
- **Office Hours** - 09:00 – 17:00 Monday to Friday
- **Travel and Subsistence** - Included in day rate within M25. Payable at department's standard T&S rates outside M25.
- **Mileage** - As above
- **Professional Indemnity Insurance** - Included in day rate.
- **Value Added Tax (VAT)** - Excluded and chargeable at the prevailing rate
