# 1 Service Pricing

## Introduction to Pricing

We offer a flexible pricing model that adapts to the scale and complexity of your data and reporting requirements, and the user numbers to be supported by the Agile Management Information Solutions Software as a Service.

The pricing quoted below is illustrative only and should not be used for budgeting purposes before your requirements are scoped in more detail, and we have an in-depth understanding of the capability you require.

All prices are quoted exclusive of VAT.

## Fee Basis

|                            |                                         |
|----------------------------|-----------------------------------------|
| Initial one-off Access Fee | £25,000                                 |
| Monthly Subscription Fee   | From £6,000 p.m.                        |
| Additional support         | Based on our fee rate card (see below)* |

\*Additional support is based on the rate card in section 2 below, and these rates are applicable to both on-shore and off-shore resources.

## Invoicing

We will invoice you based on an invoice schedule as part of our Service. All invoices will be payable within 30 days.

## 2 Fee Rate Card

Any additional support that may be required is offered based on the rate card below that shows day rates against the relevant Job and Role level. These rates are applicable to both on-shore and off-shore resources.

| Role Category                     | Role level                             | Day Rate (£) |
