PRICING DOCUMENT

Solution	Day Rate
Professional Services	£1,415.00
Training (On Site)	£1,280.00
Training (Remote) Purchasable in 0.5-day slots	£1,100.00

All software prices are exclusive of professional services which will be assessed and quoted separately. Elcom considers implementation, training, integration and any other go-live activity as a separate obligation from provision of access to its Software as a Service applications.

All prices are ex-VAT

Professional services exclude travel and subsistence which will be invoiced separately, payment due within 15 days from date of invoice.

Invoices payable by Client to Elcom annually in advance.

First payment due no later than the earlier of 3 months from the contract sign date or granting access to the relevant application(s).

Discounts: The pricing given in this document is for a stand-alone public body. As a true multi-tenanted cloud solution, we are delighted to offer discounts where several organisations implement on a consortium or shared service basis.

Terms: Please review Elcom's standard Terms and Conditions.
