Full List of Service Features

- **Assigned Service Delivery Team** — A Program Director and client success manager serve as the Member's primary points of contact for this Service. They will help define and develop individualized strategies based on their priorities and initiatives ("member agenda") and ensure ongoing engagement and value delivery to Client.
- **Access to Research Experts — Inquiry** — Provides access to Gartner experts who are associated with this Service. Participation is limited to the expert, the Member and other Team Members. The Member must be present on the inquiry call and lead the discussion and questions in order to advance the member agenda.
- **Peer Experiences** — Gartner provides opportunities for peer engagement in a variety of ways. Licensed Users have access to Gartner assets that enable ratings and reviews, connecting with qualified peers, access to community features, and exclusive features specific to client role.
 - ☐ **Peer & Practitioner Research:** Includes peer benchmarks, best practices, case studies, tools and templates.
 - ☐ **Facilitated Networking:** Service Delivery Team will, upon request, arrangement meetings with peers around a specific topic or area of expertise.
 - ☐ **Consult the Board Peer Inquiry:** Members may poll a subset of their peer community for answers to relevant questions faced by member organizations.
- **Gartner IT Symposium/Xpo™** — One (1) complimentary, nontransferable invitation or ticket ("Ticket") to attend Gartner IT Symposium/Xpo, including standard Symposium entitlements.
- **Research Board Meetings** — A nontransferable invitation to attend virtual Functional Board Research Board Meetings. Participation in Board Meetings or other peer engagement and insight type gatherings shall comply in all respects with the Antitrust Guidelines provided at the outset of such meetings. Member materials and conversations are confidential and may not be shared outside of the company.
- **Virtual Team Workshop** — An up to half-day annual strategy session on application of Gartner research and action planning. The session may include non-Team Members up to a total of 25 (twenty-five) participants.
- **Research Briefing** — One (1) briefing session per contract period with a Gartner expert, delivered remotely, not to exceed four (4) hours. The session may include Team Members and others from the client company, up to a total of 25 (twenty-five) participants.
- **Research Access**
 - ☐ **Research Board Research and related content** — Includes Research Board studies on topics selected by the membership, materials created for and distributed at Board meetings, and access to the Consult the Board Library.
- **Executive Programs Research and related content:**
 - ☐ **Research Reports** — Exclusive CIO-focused research reports, covering Gartner-selected topics on areas where business and IT intersect. Includes associated tools and teleconferences hosted by Executive Programs authors to discuss their Research Reports, business insights and leadership development-related content.

- ☐ Business Research and related content: Targeted to CIOs, CFOs, and other business executives.
- Gartner for IT Leaders Research and related content — Includes Gartner Core IT and Role specific Research and IT Podcast Series.
- Strategic Business Content for IT Executives — Access to content that aligns to the changing roles of IT executives and provides guidance around how IT executives can be better business partners to their peers.
- IT Key Metrics Data — Provides performance metrics on trends in IT spending and staffing, unit costs, and performance measures across critical IT domains.
- AskGartner — A generative AI-powered tool available on gartner.com. Sourced solely from proprietary Gartner data, it provides our unbiased perspective and expertise through AI-powered conversational interactions, replacing older keyword-based searching and providing a more holistic overview of Gartner insight on a given topic or question

Additional Terms & Conditions

- This product is available by invitation only.
- This Service is part of the Global CIO Team Plus and requires the separate purchase of Global CIO Team Plus: Global CIO Service.
- The conference invitation or Ticket entitles Licensed User to register for one (1) conference and is valid for 12 (twelve) months from date of issue. A conference invitation provided as part of a Gartner research offering is valid only for a conference during the contract term of that service. One (1) Ticket is issued per contract term of twelve (12) months – a shorter contract term does not entitle Client to a conference invitation. Invitations are nontransferable. A single invitation may not be used by more than one (1) client company employee and may not be used for admission to any conference other than Gartner IT Symposium/Xpo Conference.
