Full List of Service Features

- Peer & Practitioner Research — Research content and validated approaches for solving critical challenges

- Tools and templates — Step-by-step toolkits to execute on key initiatives
- Functional diagnostics — Tools for diagnosing the current state of the function and/or its roles. Licensed Users may deploy Functional Diagnostics to both Licensed and non-Licensed Users in the client company
- Peer benchmarks and case studies — Benchmarking reports and best-practice insights
- Analyst Inquiry — Access to individual discussions with research advisors
- Team Inquiry — Participate in team discussion with research advisors
- Peer networking — Access to peer networking through facilitated inquiries
- Live events — Access to live meetings and events
- Virtual events — Access to online meetings and events.
- Gartner BuySmart™ — Gartner BuySmart™ helps clients select and craft a fair deal (e.g., determine what they need, pick the right provider, align deal structure with needs, and negotiate contracts to optimise spend and reduce complexity) through inquiries and document / proposal reviews by reducing costs and avoiding common pitfalls using the most recent insights on technology spend management, contracting practices, and long-term risk mitigation.
- AskGartner — AskGartner is a generative AI-powered tool available on gartner.com. Sourced solely from proprietary Gartner data, it provides our unbiased perspective and expertise through AI-powered conversational interactions, replacing older keyword-based searching and providing a more holistic overview of Gartner insight on a given topic or question.

Additional Terms & Conditions

- One (1) Leader plus a minimum of one (1) and a maximum of ten (10) additional members are required for this product option
- Licensed Users may deploy Functional Diagnostics to both licensed and non-licensed users within the Client company
- Leader may forward to others in the client company up to 25 (twenty-five) documents per contract year. This forwarding may not be done in a manner that has the intent or effect of avoiding the purchase of additional User licenses
- Participation in inquiry calls is limited to the Licensed User(s) and the Gartner research expert only (i.e., non-Users, either inside or outside of the client company, may not attend or otherwise participate on the call). The Leader is entitled to two types of inquiry: (i) inquiry sessions with an expert (“Individual Inquiry”), which may be scheduled and attended independent of other team members; and (ii) inquiry sessions with an expert and the Leadership Team (“Team Inquiry”). For Team Inquiry sessions: (i) Leader must schedule and attend the sessions, and (ii) Team Members may lead the discussion or pose questions to the expert on behalf of the team, provided all such questions and discussions advance the Leader’s agenda.
- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com.
