Full List of Service Features

- **Assigned service delivery team - Executive Partner** — An Executive Partner with experience in senior technology executive roles and a client service manager will serve as the licensed user's primary points of contact for this Service. They will help define and develop customized plans based on licensed user's priorities and initiatives. The Licensed user may interact monthly with the Executive Partner and Gartner to ensure ongoing engagement and delivery of value. Interactions may include: virtual strategy meetings, peer networking or Executive Partner virtual discussions. The client service manager is an experienced service professional who understands the licensed user's context and priorities, helps them understand their entitlements and leverage the most relevant Gartner resources.
- **Individual Inquiry** — Provides access to Gartner research experts associated with this Service for Individual Inquiries.
- **Team Inquiry** — Access to Gartner experts associated with this Service. Inquiry call participation is limited to the expert, the Leader, and Team Members. The Licensed user can schedule individual sessions with an expert and team sessions. Team sessions must be requested and moderated by the Licensed user, who must be present on the call and lead the discussion and questions to advance the Team agenda. The Licensed user may, on an occasional and infrequent basis (not to exceed 10 (ten) times per contract year, and not to exceed more than 25 (twenty-five) individuals per session), include in inquiry calls non-Team Members from within the client company.
- **Virtual Strategy Meeting** — A 60-minute virtual meeting between the EP and licensed user on a key priority, where Gartner provides guidance to problem solve at a strategic level what resources/actions the client needs to take to meet specific goals/objectives. The licensed user can invite up to (5) peers or team members to join the conversation.
- **Executive Programs Research and Related Content** — Up to 12 reports per year, covering Gartner-selected topics, such as IT governance, business value of IT, architecture, and other areas where business and IT intersect. Includes associated tools and teleconferences hosted by Executive Programs Research Report authors to discuss report topics. Business Research and Related Content is targeted to CIOs, CFOs, and other business executives. May include podcasts, Road Notes, toolkits, and top research picks. Third-party content such as Harvard Business Review articles and other news reports specifically chosen based on the current issues impacting CIOs and their organisations.
- **Cloud-related Research and Content** — Research and related documents to support clients with all aspects of Cloud engagement.
- **Executive Leadership Key Initiatives** — Access to content written on initiatives for Executive Leadership to address the specific and shared needs of leaders in their broader executive role, regardless of domain, e.g., digital business transformation, talent, internal communications, and others.
- **CIO Exclusive Leadership Development Content** — Written for aspiring CIOs and focused on the professional development of Team Members. Targeted to professionals, typically direct reports to the CIO, who are interested in developing the skills necessary for technology leadership.

- **Industry Research** — Research that provides analysis and advice on major issues within the following industry sectors: banking and investment services, energy and utilities, insurance, manufacturing or retail. Industry research is designed to deliver key technology insights to technology leaders, business-focused IT professionals, and business executives.
- **Emerging Technology and Trends** — Reports that analyse the key trends and recommendations across multiple dimensions such as technology, channel, vertical, et. al. This research provides high-level guidance on countries with rapidly developing technology markets.
- **Facilitated Networking** — Service Delivery Team will, upon request, arrange meetings with peers around a specific topic or area of expertise.
- **Document Forwarding** — Licensed User may, on an occasional and infrequent basis, forward to others in client company no more than 25 (twenty-five) individual Gartner Research documents per contract year. This may not be done on a routine basis, or via posting on Client's intranet, or in any other manner that has the intent or effect of avoiding the purchase of additional Gartner User licenses
- **Gartner IT Symposium/Xpo™ with Exclusive Member Experience** — One (1) non-transferable invitation to attend Gartner IT Symposium/Xpo, including standard Symposium entitlements plus an exclusive member experience that may include priority booking for onsite One-on-One meetings with Gartner experts, access to an Exclusive Member Lounge and meeting rooms in the Exclusive Member Meeting Center, and networking opportunities with peers and Gartner Service Delivery associates.
- **CIO Leadership Forum** — Gartner CIO Leadership Forum is program for executives designed to explore critical business, technology, and leadership strategies. This exclusive conference was created with direct input from more than 1,000 top CIOs. Select CIOs will discover how to translate strategic direction into actionable results, achieve the innovation required for competitive business advantage, and lead an organisation's transformation of its IT capabilities. Clients must qualify to attend this program.

Additional Terms & Conditions

- This product requires the separate purchase of one or more of the following Services: (i) Executive Programs v2 Team Leader Member, (ii) Executive Programs v2 Member, or (iii) Executive Programs v2 Team Member Service. Minimum Team size is Leader + one (1), maximum is Leader + ten (10).
- Attendance at Gartner CIO Leadership Forum is limited to C-level executives
- The conference invitation entitles the Licensed User to register for one (1) conference and is valid for 12 (twelve) months from the date of issue. A conference invitation provided as part of a Gartner Research offering is valid only for a conference during the contract term of that Research offering. Invitations are not transferable. A single invitation may not be used by more than one (1) employee of client company and may not be used for admission to any conference other than the Gartner IT Symposium/Xpo Conference
