Full List of Service Features

- **Assigned Service Delivery Team** — The Executive Partner and client success manager will serve as the Team Leader's primary points of contact for this Service. They will maintain the relationship through the delivery of the Service and implementation of a Member Value Plan. The service professional will facilitate inquiry and respond to specific requests for Gartner Research and insight
- **Member Value Plan** — Customised service plan created in collaboration with the Team Leader at the beginning of the Service and reviewed periodically through the membership life cycle. Elements include setting Team Leader expectations, value criteria, up to three (3) key initiatives and action plan
- **One (1) Annual Virtual Strategy Meeting** — Team Leader will meet with the Leadership Partner for coaching and advice, strategic planning and execution of up to three (3) key initiatives. Guidance will be based on collective expertise of Gartner Research and the Member Peer Community
- **Facilitated Networking** — Team Leader may request meetings or conference calls with peers around a specific topic to exchange information about best practices or areas of expertise
- **Peer & Practitioner Research** — Includes peer benchmarks, best practices, case studies, tools, and templates
- **Industry-specific IT Research** — Access to Gartner Research related to the specific industry pre-selected by the Client at time of purchase
- **Gartner for IT Leaders Research & Related Content, plus IT Initiative Based Research, and Role-specific IT Research**
- **Strategic Business Content for IT Executives** — Access to content that aligns to the changing roles of IT Executives and provides guidance around how IT Executives can be better business partners to their peers
- **IT Key Metrics Data** — Provides performance metrics on trends in IT spending and staffing, unit costs, and performance measures across IT domains
- **IT Podcast Series** — A subscription-based podcast series featuring Gartner Research experts' perspectives on business priorities and challenges on topics in information technology
- **Research Advisor Inquiry** — Includes 30-minute sessions with Gartner analysts to ask questions based on published research or request reviews of business-related documents
- **Team Inquiry** — Includes 30-minute sessions with Gartner Research Advisors to ask questions based on published research or request reviews of business-related documents. Team members may lead the discussion or pose questions to the analyst on their behalf or on behalf of the team, provided the sessions are scheduled and attended by the Leader to advance the Team Leader's agenda
- **Tools and Templates**
- **Selected Vendor Reports, Weekly Picks and News Analysis**
- **Webinars**
- **IT Summit Conference Ticket**

- AskGartner — A generative AI-powered tool available on gartner.com. Sourced solely from proprietary Gartner data, it provides our unbiased perspective and expertise through AI-powered conversational interactions, replacing older keyword-based searching and providing a more holistic overview of Gartner insight on a given topic or question.

Additional Terms & Conditions

- This product is only available as a renewal product for existing license holders only
- At least three (3) Advisor Team Member or Cross Function Team Member seats must be sold with each Enterprise IT Leadership Team Plus with Industry: Team Leader. The maximum number of Members per Team is ten (10)
- The Team Leader may forward Key Insights summaries, via Key Insight Document Share, of up to 25 (twenty-five) Gartner Research documents per contract year to others in the client company. This forwarding may not be done in a manner that has the intent or effect of avoiding the purchase of additional User licenses
- Participation in inquiry calls is limited to Licensed User(s) and Gartner expert only (i.e., non-Users, either inside or outside of the client company, may not attend or otherwise participate on the call). Leader is entitled to two types of inquiry: (i) inquiry sessions with an expert ("Individual Inquiry"), which may be scheduled and attended independent of Team Members; and (ii) inquiry sessions with an expert and the team ("Team Inquiry"). For Team Inquiry sessions: (i) Team Leader must schedule and attend the sessions, and (ii) Team Members may lead the discussion or pose questions to the expert on behalf of the team, provided all such questions and discussions advance the Leader's agenda
- The Gartner IT Summit Conference Ticket is a numbered identifier (e.g., 424562) that entitles the Licensed User to register for one (1) Gartner IT Summit Conference as specified in the Ticket Letter emailed to Client. Tickets are valid for 12 (twelve) months from the date of issue, per the expiration date on the Ticket Letter. Tickets provided as part of a Gartner Research offering are valid only for Gartner conferences during the contract term of that Research offering. Tickets are transferable within the client company but may not be transferred to another company. A single Ticket may not be used by more than one (1) client employee and may not be used for admission to any Gartner conference other than IT Summit
- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com
