- Exclusive research and content to advance critical cloud priorities
- Accessible by browser and app
- Access to online peer community for collaboration and advice
- AskGartner - AI tool providing tailored, actionable Gartner insights on demand

Service Features

- Access to Research Experts
- Peer Networking
- Gartner for IT Leaders Research
- Peer & Practitioner Research
- Midsize Enterprise Research and Tools
- IT Key Metrics Data, Diagnostic Tools, Templates and Case Studies
- IT Podcast Series
- IT Summit Conference Ticket

Invoicing

- The service is provided to one licensed user for a period of twelve months
- All invoices are payable net 30 days from date of invoice

Full List of Service Features

- Research Expert Inquiry — Provides access to Gartner experts who are associated with this Service. Participation is limited to the expert, the Licensed User and other Gartner for Midsize Enterprise Technology Manager licensed users (i.e., non-Users, either inside or outside the client company, may not attend or otherwise participate on the call). The Licensed User (i) must be present on

call and lead inquiry discussion to advance their agenda, and (ii) may also schedule individual inquiry sessions with an expert.

- Peer Experiences — Gartner provides opportunities for peer engagement in a variety of ways. Licensed Users have access to Gartner assets that enable ratings and reviews, connecting with qualified peers, access to community features, and exclusive features specific to client role
- Peer Directory — Access to searchable directory of senior most technology leaders
- Online Forums — Access to discussions of common issues among peers on gartner.com
- Research Access
 - ❑ Expert Insights: Exclusive Gartner Research Reports relevant to Licensed User. These may include Gartner selected topics across IT and business
 - ❑ Gartner for IT Leaders Research and related content: Includes Core IT and role-specific research; diagnostic tools, templates, and case studies; Weekly Picks and News Analysis; and webinars featuring Gartner experts
 - ❑ Midsize Enterprise Research: Includes midsize enterprise-contextualized research and resources focused on the CIO's top priorities
 - ❑ Peer & Practitioner Research: Includes peer benchmarks, best practices, case studies, tools, and templates
- Webinars: Periodic multi-client virtual events (live and/or replays) where Gartner expert(s) present research on a topic and clients participate through Q&A chats/polls. Clients have access to webinars through gartner.com
- Tools and Data — Access tools and data relevant to Licensed User. These may include interactive assets that enable viewing of data-driven insights and benchmarks designed to enable Licensed User to make informed decisions and enhance workflows
- IT Key Metrics Data — Provides performance metrics on trends in IT spending and staffing, unit costs, and performance measures across critical IT domains
- IT Podcast Series — A podcast series featuring Gartner experts' perspectives on business priorities and challenges on topics in information technology
- Gartner IT Summit Conference Ticket: One (1) invitation to attend a Gartner IT Summit Conference
- AskGartner — A generative AI-powered tool available on gartner.com. Sourced solely from proprietary Gartner data, it provides our unbiased perspective and expertise through AI-powered conversational interactions, replacing older keyword-based searching and providing a more holistic overview of Gartner insight on a given topic or question

Additional Terms & Conditions

- Purchase of this product is subject to eligibility conditions. Please contact your Gartner Account Team to confirm eligibility

- The invitation or “Ticket” is a numbered identifier (e.g., 424562) that entitles Licensed User to register for one (1) conference as specified in the Ticket Letter emailed to Client. Tickets are valid for 12 (twelve) months from date of issue, per the expiration date on the Ticket Letter. Tickets provided as part of a Gartner research service are valid only for conferences during the contract term of that service; one (1) Ticket is issued per 12-month (twelve-month) contract term – a shorter contract term does not entitle Client to a Ticket. Tickets are transferable within the client company but may not be transferred to another company. A single Ticket may not be used by more than one (1) individual and may not be used for admission to any conference other than an IT Summit
- Depending on travel advisories and/or government orders, at Gartner’s sole discretion, some meetings and events may be held virtually
- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com.
