Full List of Service Features

- Assigned Service Delivery Team — Client Success Manager. The client success manager is an experienced service professional who understands the Licensed user's context and priorities, helps them understand their entitlements and leverage the most relevant Gartner resources.
- Three (3) Research Board Studies per year.
- Consult the Board Library: Licensed User has access to all inquiries and responses collected as part of the peer decision support process.
- Gartner for IT Leaders Research: Includes Gartner Core IT and role-specific research.
- Strategic Business Content: Access to content that aligns to the changing roles of IT Executives and provides guidance around how IT Executives can be better business partners to their peers.
- Peer Experiences: Gartner provides opportunities for peer engagement in a variety of ways. Licensed Users have access to Gartner assets that enable ratings and reviews, connecting with qualified peers, access to community features, and exclusive features specific to client role.
- Shared Research Folder: Team Members may add documents to a common folder in My Library.
- IT Key Metrics Data: Provides performance metrics on trends in IT spending and staffing, unit costs, and performance measures across critical IT domains.
- Conferences and Events Attendance at Gartner IT Summit: One (1) complimentary invitation to attend Gartner IT Summit, including standard Summit entitlements.
- Webinars: Periodic multi-client virtual events (live and/or replays) where Gartner expert(s) present research on a topic and clients participate through Q&A chats/polls. Clients have access to webinars through gartner.com.
- AskGartner — A generative AI-powered tool available on gartner.com. Sourced solely from proprietary Gartner data, it provides our unbiased perspective and expertise through AI-powered conversational interactions, replacing older keyword-based searching and providing a more holistic overview of Gartner insight on a given topic or question

Additional Terms & Conditions

- This product is available by invitation only.
- The Service is part of the Gartner for Global CDAOs Executive portfolio and requires the separate purchase of Gartner for Global CDAOs Executive Global Team Leader. The Service provides access to Gartner research and research experts
- The Gartner IT Summit invitation or "Ticket" is a numbered identifier (e.g., 424562) that entitles Licensed User to register for one (1) conference as specified in the Ticket Letter emailed to Client. Tickets are valid for 12 (twelve) months from date of issue, per the expiration date on the Ticket Letter. Tickets provided as part of a Gartner research service are valid only for conferences during the contract term of that service; one (1) Ticket is issued per 12-month (twelve-month) contract term – a shorter contract term does not entitle Client to a Ticket. Tickets are transferable

within the Client company but may not be transferred to another company. A single Ticket may not be used by more than one (1) individual and may not be used for admission to any conference other than an IT Summit.
