Full List of Service Features

- **Assigned Service Delivery Team** — A client success manager, who is a member of the Assigned Service Delivery Team, will serve as the Licensed Users' primary point of contact for this Service. The client success manager is an experienced service professional who understands the Client's context and priorities; helps the Client understand their Service entitlements; provides personalised, proactive, concierge-level service; and helps the team leverage the most relevant Gartner resources. The client success manager facilitates a coordinated service approach for the team, as well as alignment between Team Members and the Leader
- **Individual Inquiry** — Inquiry sessions of up to 30 minutes with a research advisor which may be scheduled independent of other Team Members
- **Team Inquiry** — The Team Leader must schedule and attend the Team Inquiry sessions which are up to 30 minutes. Team Members may lead the discussion or pose questions to the research advisor on behalf of the team, provided all such questions and discussions advance the Team Leader's agenda
- **Marketing Leaders Online Experience** — Access to Gartner's latest digital marketing research, news commentary, blogs posts, and analyst-selected "must read" content. Includes daily, weekly, and monthly editorial updates
- **Marketing Leaders Research and Related Content** — Concise, targeted research written specifically for today's digital marketing professional
- **Digital Performance Benchmark Content** — Includes Gartner Digital IQ Index Reports, Insight Reports, Intelligence Reports, and videos/presentations from past Gartner Digital Performance Benchmarks events. Also includes self-service Intelligence Tools that enable brand benchmarking comparisons for all brands included Gartner Digital IQ Index reports
- **Consumer Insight Content** — Consumer and customer insights that help marketers stay ahead of trends that matter. Research is built upon our proprietary, values-based methodology that allows us to identify, explain and predict shifts in consumer behaviour
- **Relevant IT Research** — Actionable research and related content focuses on the technology areas upon which marketers are envisioning, building, and executing their digital strategies, including: social media platforms, mobile application development, content management, and content analytics
- **Communications Research and Insight** — Concise, targeted research and tools to help business leaders evaluate new issues and challenges around Communications initiatives
- **Diagnostic Tools** — Interactive web-based tools that allow clients to apply Gartner methodologies to their specific situations. Diagnostic Tools deliver a customised set of recommended actions based on the clients' answers to a series of questions
- **Peer & Practitioner Research** — Includes peer benchmarks, best practices, case studies, tools, and templates
- **Peer Experiences** — Gartner provides opportunities for peer engagement in a variety of ways. Licensed Users have access to Gartner assets that enable rating and reviews, connecting with qualified peers, access to community features, and exclusive features specific to client role

- Webinars — Periodic web conferences where Gartner research advisors speak on timely topics in information technology and then solicit questions from listeners
- Facilitated Networking — Service Delivery Team will, upon request, arrange meetings with peers around a specific topic to discuss best practices or areas of expertise
- Marketing Conference Ticket — Admission for one attendee to attend the Gartner Marketing Conference
- AskGartner — AskGartner is a generative AI-powered tool available on gartner.com. Sourced solely from proprietary Gartner data, it provides our unbiased perspective and expertise through AI-powered conversational interactions, replacing older keyword-based searching and providing a more holistic overview of Gartner insight on a given topic or question.

Additional Terms & Conditions

- One (1) Leader plus a minimum of three (3) and a maximum of Ten (10) additional members are required for this product option. All Team Member licenses must be coterminous with the Leader license
- The Conference Ticket is a numbered identifier (e.g., 424562) that entitles Licensed User to register for one (1) conference as specified in the Ticket Letter emailed to Client. Tickets are valid for 12 (twelve) months from date of issue, per the expiration date on the Ticket Letter. Tickets provided as part of a Gartner research offering are valid only for Gartner conferences during the contract term of that service. One (1) Ticket is issued per contract term of 12 (twelve) months – a shorter contract term does not entitle Client to a Ticket. Tickets are transferable within the client company but may not be transferred to another company. A single Ticket may not be used by more than one (1) individual and may not be used for admission to any Gartner conference other than a Marketing Conference
- Participation in inquiry calls is limited to the Licensed User(s) and the Gartner research experts only (i.e., non-Users, either inside or outside of the client company, may not attend or otherwise participate on the call). The Advisor Team Member is entitled to two types of inquiry: (i) inquiry sessions with an expert (“Individual Inquiry”), which may be scheduled independent of other Team Members; and (ii) inquiry sessions with an expert and other members of the Chief Marketing Executives Team (“Team Inquiry”). For Team Inquiry sessions: (i) the Team Leader must schedule and attend the sessions, and (ii) Team Members may lead the discussion or pose questions to the expert on behalf of the team, provided all such questions and discussions advance the Team Leader’s agenda
- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com.
