

Github & GitLab - G-Cloud 15 - Pricing Information

Pricing Model

Pricing for GitHub and GitLab products supplied under this G-Cloud 15 listing is based on the vendors standard list prices. Final pricing depends on the selected product edition, number of users, subscription term, and any additional features.

Eficode acts as an authorised reseller and service partner where applicable. GitHub and GitLab remain the software vendors.

GitHub Pricing

Pricing for GitHub products and plans is available at:

- GitHub pricing:
<https://github.com/pricing>

Prices are published and maintained by GitHub

GitLab Pricing

Subscription pricing for GitLab products is available at:

- GitLab pricing:
<https://about.gitlab.com/pricing/>

Pricing varies by edition and subscription tier.

Currency, VAT, and Quotations

All prices are **exclusive of VAT**.

Pricing is based on the publishers' list prices and converted to **GBP** where required.

For a **formal quotation in GBP**, including any applicable discounts or bundled services, customers should contact Eficode directly.
