1 Introduction

This document sets out the pricing for Quicksilva's conneQt® Patient Facing Services (PFS) as described in the document 'Quicksilva conneQt® Patient Facing Services - Service Definition'. All pricing assumptions and full descriptions of the services to which these costs relate are contained within the Service Definition. All prices exclude VAT.

2 Pricing

Both setup and Ongoing charges will be quoted as part of your service proposal. Please see the proposal for details. Over and above your included transaction usage per month (quoted in your service proposal) you will be subject to Additional Transaction Charges outlined below.

2.1 conneQt® PFS ongoing transaction charges

Additional Transaction Charges – conneQt® PFS – Over Base API Calls Included				
Monthly volume of transaction	0-50,000	50,001-100,000	100,001-150,000	150,001+
conneQt® PFS Charge/transaction	£0.006	£0.005	£0.004	£0.003

As outlined in the tables above, the standing charges cover an allocation of up to 5,000 lookups per month. Transactions in excess of your outlined amount in any month incur a unit look-up charge for the additional transactions.

You can add on additional API services that haven't been installed at the start of your agreement. This will typically take 1 day's development time. Our Services Team carries out this work on a Time and Material basis, which is detailed below.

2.2 Spine-in-a-Box®

Annual Subscription	Monthly Charge (Pa-As-You-Go)
£7,500	£700

Spine-in-a-Box® is available by purchasing an annual subscription which is payable annually in advance or alternatively at the rate of £700 per calendar month.

2.3 On-Boarding and Off-Boarding Costs

On-Boarding and Off-Boarding Services must be purchased separately as Cloud Support Services through Quicksilva's Lots 1 to 3 Service Catalogue. A separate Call-Off Contract will be required for these services.

To enable Customers to compare whole-life costs, Training and On-Boarding costs are provided below.

There are no fixed Off-Boarding costs for terminating the conneQt® PFS although Service Charges will be incurred to the end of the month following the service termination date. Bespoke service transitioning activities where applicable will be charged at Quicksilva's SFIA Day Rate Card.

2.3.1 Training Costs

Training Services must be purchased separately as Specialist Cloud Services through Quicksilva's Lots 1 to 3 Service Catalogue. A separate Call-Off Contract will be required for these services.

Training is tailored to meet your requirements and is charged at our daily Training Day rate of £1,800 per trainer. One trainer is able to manage a class size of up to 10 delegates during a training session. This rate includes preparation and provision of standard training materials. Additionally:

- The Training Day Rate applies to a working day of 7.5 hours;
- Travel time will be charged at Day Rate;
- Any expenses will be agreed before expenditure;
- All prices are exclusive of Value Added Tax.

2.3.2 On-Boarding Costs

conneQt® PFS	Spine-in-a-Box®
On-Boarding activities are charged on a Time and Materials Basis with reference to Quicksilva's SFIA Day Rate Card.	Standard On-Boarding Charge of £2,500 per customer connection.
On-Boarding costs are typically between £3,000 - £25,000 depending on the services required.	

2.3.3 SFIA Day Rate Card

Software Development and Implementation – Consultancy Level	Daily Rate £GBP
1. Follow	750
2. Assist	825
3. Apply	900
4. Enable	975
5. Ensure/Advise	1125
6. Initiate/Influence	1275
7. Set Strategy/Inspire	1500

Quicksilva's Day Rates are based on a mix of role and experience and do not apply to a named individual who may be used in more than one role throughout the life of any project.

Specifically:

- Day Rates are role and experience based.
- Applies to a working day of 7.5 hours.
- Includes travel time on designated customer business.
- Expenses will be agreed before expenditure; and.
- All prices are exclusive of Value Added Tax
