C-Track CMS Software for Jurisdiction Annual Case Volume 40001-80000	£ 35.30	£ 37.06	£ 38.92	£ 40.86	£ 42.91
Additional Cases above 80000 (additional volume discounts available on request)	£ 33.17	£ 34.83	£ 36.57	£ 38.40	£ 40.32
- Annual Software License, Maintenance & Support, and Product Upgrade Services pricing is based on the number of case initiations that occurred in the Jurisdiction for the full year prior to executing the Call Off Contract. The total amount paid in the first year is case initiations multiplied by the per case amount in the table. - Annual Software License, Maintenance & Support, and Product Upgrade Services are invoiced annually. - Pricing listed applies to the first year of Annual Software License, Maintenance & Support, and Product Upgrade Services provided under a Call Off Contract. Each subsequent year Annual Software License, Maintenance & Support, and Product Upgrade Services will be increased by the rate of inflation over the prior year. - TR will provide the Customer with 3-6 months' prior written notice of the next LTS Version and list out any major Updates. When TR schedules the release date of the next LTS Version, TR will work with the Customer to develop an implementation plan for consuming the next LTS Version, typically 4-6 months after its release date.					

C-Track Annual Managed Cloud Services

TRCMS provides annual professional services to manage the C-Track Subscription within a Customer’s Azure Cloud Account (Azure Government or Azure Commercial)*.

Managed Cloud Services means the following:

- Software deployment services
- C-Track Subscription threat & vulnerability monitoring
- C-Track Subscription maintenance and patching
- Manage C-Track Subscription disaster recovery and C-Track database archiving (within Azure only, no offsite)
- 3 Levels of Azure Policy Service Levels (DR, RTO/RPO): Bronze, Silver and Gold (customer selects based on requirements and budget)
