Introduction to Zalaris UK&I

We aspire to the Service Definition of HCM Consulting at its best. To support this, further detail will be provided under the following areas:

- **Service Delivery** – How we deliver our solutions and services to the end user customer
- **Commercials** – Our flexible approach to pricing
- **Public Sector** – Examples of projects we've successfully delivered, adhering to the unique constraints and requirements inherent within the public sector.

Service Delivery

- Zalaris UK&I offer implementation services for SAP HCM and SuccessFactors
 - We take solution design seriously. Our approach is always carefully engineered around the customer needs.
 - Our Solution Architects, who have extensive experience with SAP SuccessFactors, are supported by subject matter experts (SMEs). This guarantees that your solution is always designed with best practices at its core.
 - We have collaborated with multinational corporations and public sector organizations across nearly every industry including UK Public Sector
 - We have the expertise to assist you in translating your business processes and optimizing the SAP SuccessFactors solution, regardless of your location, size, and requirements.
 - We offer services across the entire SAP HCM product list and work with partners for full SAP Business Suite offers.
- Zalaris UK&I offer annual Support packages for your SAP HCM and SuccessFactors solutions.

Commercials

- Commercials can vary based on the solution path that best aligns with your specific requirements.
- This will be specifically defined through a scoping process with Zalaris' Consulting and Commercial teams, driven to explore mutually beneficial outcomes.
- All Zalaris UK&I solutions include one-time Professional Services fees.
