

Aptem Assess G-Cloud 15 pricing

Aptem Assess: an affordable initial needs cognitive assessment that ignites learner capability and drives achievement.

Aptem Assess is a cutting-edge cognitive assessment tool designed to help identify and address learners' needs effectively:

Pinpoints potential cognitive need

Identifies whether a learner may have specific areas of cognitive challenge.

Streamlines learner categorisation

Differentiates those without signs of cognitive needs from those who may require further support, enabling more targeted intervention.

Supports proactive decision-making

Allows providers to focus attention where it's most needed, eliminating reliance on learner self-identification, hand-raising, or subjective tutor feedback.
