

Pricing

G-Cloud 15

Overview

A resource-based pricing model applies to all specialist cloud services offered.

Resource-based pricing

For a given requirement, CDS will advise on the estimated effort for each role and staff grade required. Please see our standard rate card.

Daily rates

Please see our standard rate card, which provides information on our standard day rates. All rates exclude VAT.

Complementary software and services

CDS provide a range of complementary software and services to enhance your solution and meet your needs. Please contact CDS to discuss your precise requirements.
