

Defence Information Management Portal

General Dynamics United Kingdom Limited (GDUK)

G-Cloud 15 Cloud Software (SaaS)

Terms and Conditions

- Custom portals require a minimum of twelve months' commitment and a minimum of three months' notice.
- There is no charge for leaving the service at the end of the agreed term.
- Our pricing assumes that communications between Customers and GDUK will be arranged via phone, teleconference, videoconference, or visits at GDUK premises. If different, T&L price can be made available on request.
- English will be the only language required for our DIMP Services
- Typical elapsed times for each milestone stage are defined in table 4 of the Service Definition Document for the Defence Information Management Portal
- Refer to the DIMP Pricing Document and table 3 of the Service Definition Document for the DIMP relating to various price dependencies, assumptions, and exclusions
