

The background of the page features several large, overlapping, three-dimensional geometric shapes. These shapes are primarily teal, lime green, and purple. They are arranged in a way that creates a sense of depth and movement, with some shapes appearing to be stacked or layered on top of others. The lighting is soft, casting gentle shadows that enhance the three-dimensional effect.

CIVIC Sarosi - Pricing

In CIVIC we believe that the pricing schemes of our SaaS products should be flexible to meet the needs of a wider variety of clients. Therefore, we have several options available as follows. Please note that you can upgrade your plan anytime. Each of the following plans has a page limit for each scan. You can contact us for custom Enterprise plans.

Sarosi is our Accessibility scanner tool.
