

The background features several large, overlapping, three-dimensional geometric shapes. On the left, a large teal shape points towards the center. Behind it, a lime green shape is visible. In the upper center, a purple shape is layered on top of the lime green one. To the right, another teal shape is partially visible. In the bottom right corner, a large teal shape is partially cut off. The shapes have soft shadows, giving them a sense of depth and volume.
