Pricing

Implementation

Licence, Implementation, Onboarding, and Services, including setup of optional modules, are priced separately depending on specific requirements and based on Civica's rate card.

Please contact us for further clarification.

Annual Charge

Customer Banding	Annual Fee
Small - Small is a district authority with a population of up to 110,000	£ 30,000
Medium - Medium is a District or Unitary with a population of up to 195,000	£ 90,000
Large - Large would be a local authority with a population of over 195,000	£ 180,000

Notes:

Annual fees include licensing for single instance clients, five users and 8,000 cases. Additional user licences, case load and modules can be added to the service based on Civica's standard contract terms.

Pricing varies subject to several variables, such as total user numbers and case volume, and precise functional requirements.

Service Deployment Costs is the minimum price for a standard suite deployment. Customisation, development, and any 3rd party costs are not included in the minimum price shown, since these elements vary subject to the detailed requirements of the customer.

Customisation and development services will be charged as per Civica's Rate Card for professional services, a copy of which forms part of Civica's GCloud listing.

Please contact us to discuss your detailed requirements.
