Overview

Civica, Modern.Gov, is the single largest provider of committee management systems to principal councils in the UK.

Our current customers, of which there are around 380, benefit from:

- Entirely automated web publication
- Complete electronic document creation for agendas, minutes and decisions
- Complete electronic distribution of documents to tablet devices via dedicated apps and websites
- Automatic notification of the publication of items of interest
- Simple management of Register of Interests, Declarations at Meetings and Gifts & Hospitality
- Self-service notification of new material
- Self-service Members management
- Simplified management of outside bodies
- The capture of all decisions in a combined register of decisions
- Freedom of Information material managed by Democratic or Governance Services in a web-published database
- Management of a full forward plan/business plan, with plan items submitted by officers
- Automated report production with fully audited and bespoke review and sign-off processes
- Joined up systems to simplify data management
- Integration with other third-party solutions including the Xpress Election Management Solution, Public-i webcasting, Auditel and Audiominutes
- Support for remote/virtual meetings
