PeopleHub ecosystem overview

PeopleHub is an ecosystem of integrated HR, Payroll, Time & Attendance, Workforce Management and Employee Self Service software in a single database solution. Civica's cloud software delivers the tools and time savings needed to move from transactional record keeping into a transformational HR and Payroll service that supports people, planet, and place.

It is designed to simplify the connection in every aspect of people management in medium to large businesses, education, and local government organisations. It is a flexible, scalable post-based system, supporting unlimited employees and companies, employees with multiple posts, term-time only, non-standard working patterns, and unique flexible working arrangements.

PeopleHub encompasses the entire employee lifecycle, including but not limited to, recruitment and onboarding, retention, contractual arrangements, training and development, managing absence and performance. Process automation connected data, and digital and mobile employee engagement features, deliver demonstrable efficiency savings. Whilst flexible and intuitive reporting provides fast access to accurate data and analytics, with users citing **time savings of over 90%**.

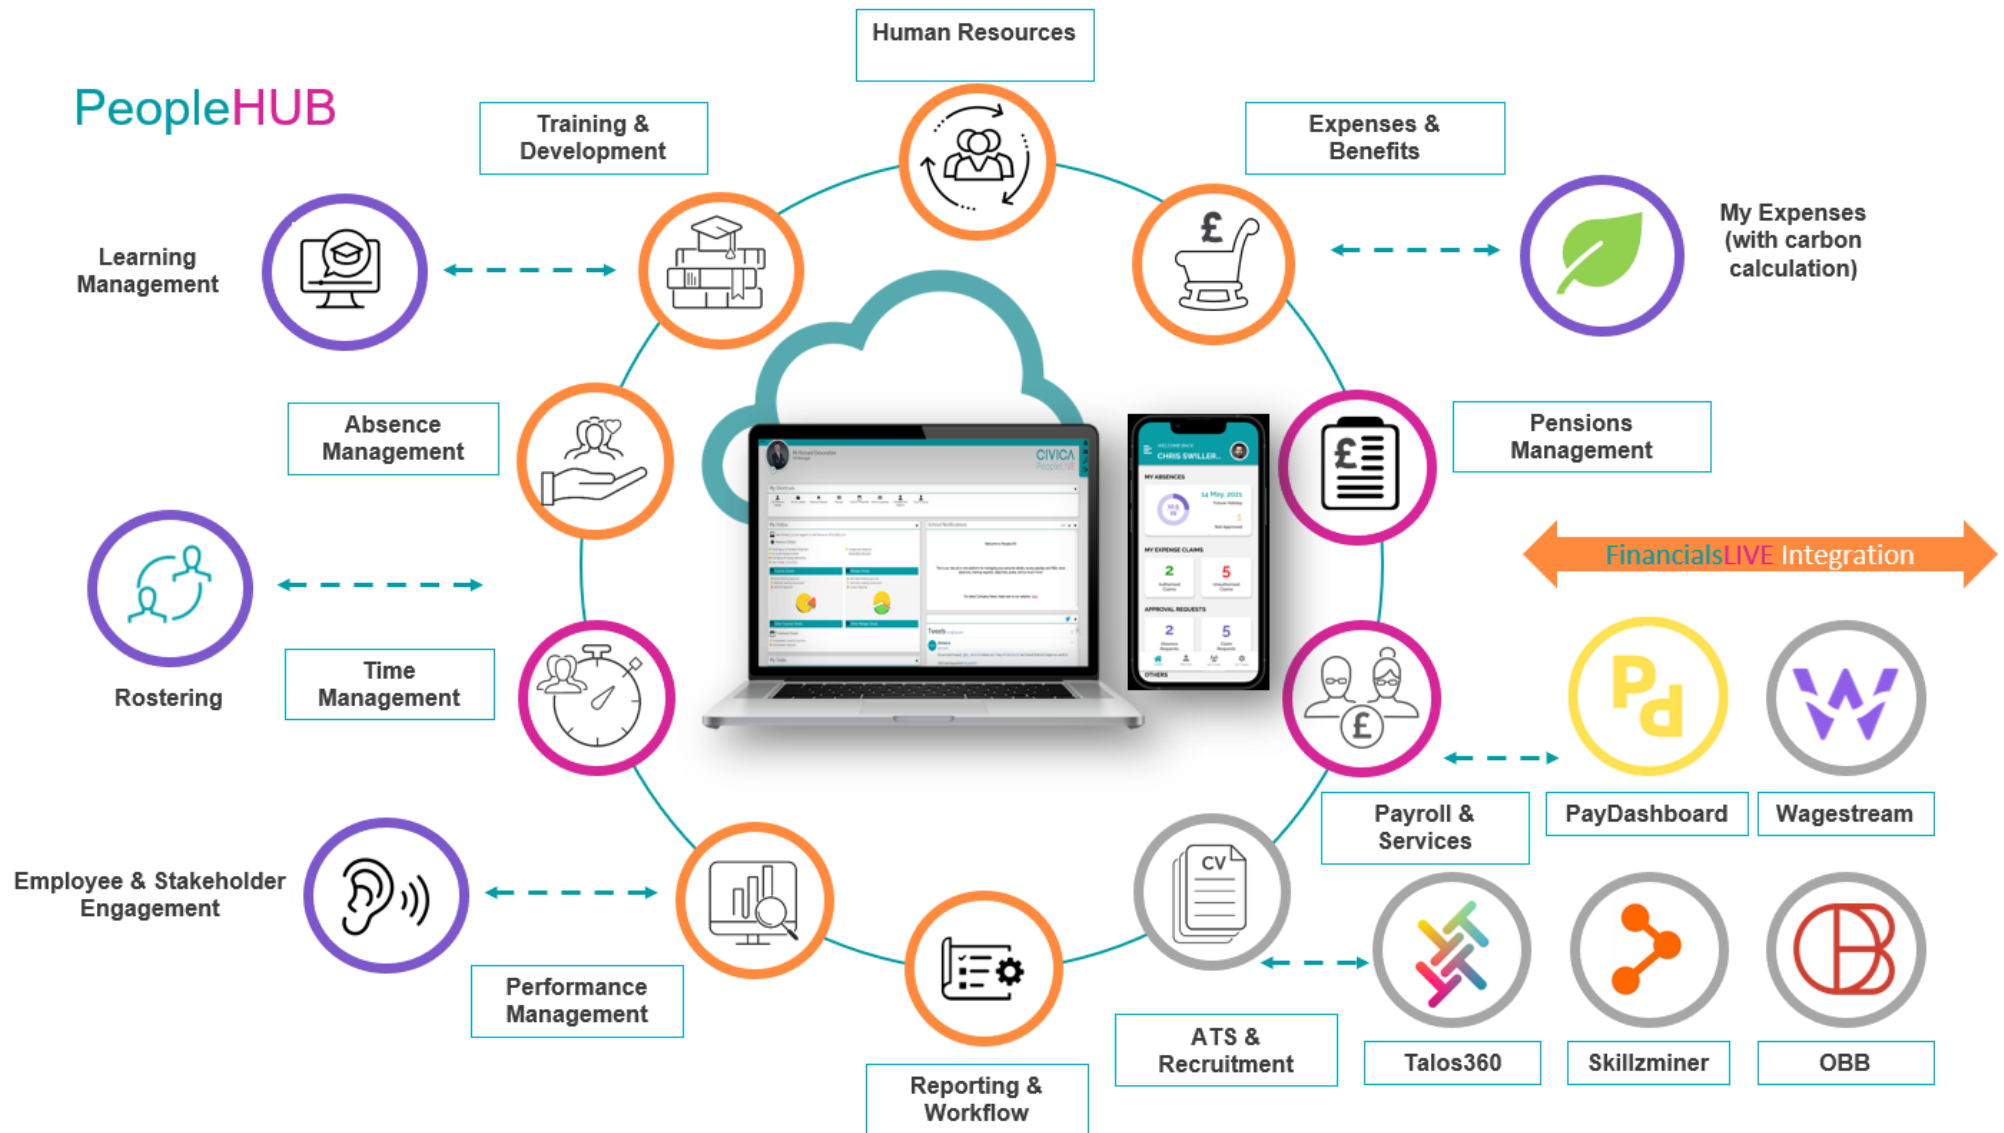

It also offers additional market leading solutions that are integrated and are either owned by Civica outright or provided in partnership with us. These include:

Civica Learning		Civica Financials	
On Boarding Butler		Skillsminer AI. Talent Mobility	
Wagestream		Pay Dashboard by experian.	

Civica's complementary solutions may be used as a connected module of the [PeopleHUB ecosystem](#) or in stand-alone operations.

PeopleHub description

PeopleHub is a single database, web-based platform encompassing end to end employee data records management and processing. The ecosystem offers numerous benefits that lead to outcomes impacting economic growth, sustainability, resilience in the present and the future.

Organisations choosing **PeopleHub** benefit from:

- Flexible UK cloud-based software, in house or a choice of outsourcing services.
- Optional Payroll outsourcing services and adaptive payroll project delivery models.
- Optimal HCM data management through multilevel self-service access for all managers and employees.
- Connected workers via any remote, internet enabled device, easily adopted, and used.
- Automated workflow and process management capabilities, keeping the operations fluid, removing bottle necks and wasteful silos of disconnectivity.
- Increased access to data visualised through numerous reporting options, Analytics and AI.
- Performance enhancement through talent and recruitment optimisation software and services.
- Learning and Development management, shaping the workforce of the future.
- Organisation and Establishment management tools aiding strategic, structural and remuneration planning.
- Regulatory governance and legislative compliance through regular software updates.
- Options to enhance the ecosystem through integrated partner solutions.
- Dedicated business development support from dedicated account managers.
- Professional Programme Managers, experienced in multi solution implementations.

Example costing

For an organisation with 700 employees who require HR and Payroll for 48 months the calculation would be:

Annual Security and Maintenance	$700 \times £0.97 \times 12 = £8,148$ $700 \times £1.01 \times 12 = £8,484$ $700 \times £1.07 \times 12 = £8,988$ $700 \times £1.12 \times 12 = £9,408$
Payroll (payslips included)	$700 \times £1.22 \times 12 = £10,248$ $700 \times £1.28 \times 12 = £10,752$ $700 \times £1.34 \times 12 = £11,256$ $700 \times £1.41 \times 12 = £11,844$
HR	$700 \times £1.32 \times 12 = £11,088$ $700 \times £1.39 \times 12 = £11,676$ $700 \times £1.46 \times 12 = £12,264$ $700 \times £1.53 \times 12 = £12,852$
Total Cost for a 48-month contract	£127,008
