Service Description

Civica Trading Standards: Hosted in the Azure cloud with an RTO of 4 hours, RPO of 1 hour; on a standard software support SLA; part of Cx Regulatory Services cloud software; designed to streamline all your Trading Standards processes. Intelligent and data-driven, it provides a holistic view of all the records associated with each case, to help you keep a close eye on businesses; and facilitates collaboration. As well as reducing the admin burden, Cx Trading Standards will empower your team to work smarter with the ability to view, respond and update case information from any location and using any mobile device

Services to implement is based on a standard implementation scope and duration and includes Project Management, Configuration Consultancy and Training
