1. Managed Amazon Web Pricing

Please contact the Civica GCloud Sales Office for a quote on how many Service Tokens you may require for the Managed Amazon Web Service. Each token is worth £1 and is valid for 1 month.

The following information details prices and charges for products and services that are part of the Civica service offer:

<https://aws.amazon.com/pricing/>

The prices offered are based on AWS supplied price lists. Civica recognise that pricing presented may require further clarification and we welcome the opportunity to discuss the options available.

2. Pricing Conditions

In the event that the vendor of any third-party services that are not directly supplied by Civica, such as the provision of licenses by Microsoft, increases the cost of those services during the duration of the GCloud framework, or any subsequent GCloud Call-Off contract, then Civica reserves the right to pass these increases on to the customer.

3. Standards for Day Rate Cards

These are:

- All rates are for UK-based resources.
- All rates exclude VAT and all travel and subsistence expenses.
- Working week is Mon to Fri, excluding UK national holidays.
- Office hours are 9am to 5pm, Mon to Fri.
- A working day is 7.5 hours (exclusive of travel and lunch).

4. GC15 Rates

Please note:

- The following table provides Civica's maximum rates for the GCloud 15 Framework Agreement.
- The rates have been provided in accordance with CCS's request to set maximum rates on the Digital Marketplace for the 4-year framework term.
- These rates allow us to operate call-off contracts that could run for up to 6-years.
- At Call-off Contract level we provide competitive rates that sit well under the maximum framework rates to provide Buyers with value-for-money.
