Cyber Risk Reviews: Pricing

This pricing document must be read in conjunction with the *2T Security SFIA Rate Card for HMG Cloud Services*.

Key information

The Cyber Risk Review workshops are delivered at a fixed price, depending on the size and complexity of the system(s) being reviewed.

We have a four-tier model for this, but bespoke pricing can be arranged upon request:

Tier	Cost
1	£18,000
2	£30,000
3	£45,000
4	£65,000

The tier for an engagement will be discussed and agreed prior to any work commencing.

Rates and expenses are exclusive of VAT.
