

G-Cloud 15 Pricing

The below represents the basic costs for the following services:

- G-Cloud /Digital Procurement Service
- Consultancy
- Cloud & Technical Consultancy, Digital Professional Services

As each authority's requirement and needs vary depending on where they are in the procurement cycle firm pricing for each engagement will be given once needs & deliverables are known and agreed.

Role	Rate Per Hour	Rate Per Day	Discount >30 days	Discount >50 days
Advisor	90	650	2%	5%
Senior Advisor	125	850	2%	5%
Consultant	155	1000	2%	5%
Senior Consultant	200	1400	2%	5%
Managing Consultant	225	1500	2%	5%
Director	250	1900	2%	5%

- G-Cloud Training @£490 per attendee (remote) minimum 5 attendees
- G-Cloud Training @£625 per attendee (on client site) minimum 5 attendees
- Procurement-as-a service /On demand works as follows:
 - Client contacts AC with requirements
 - AC provide estimate for work to be done in hours
 - Once agreed work is utilised on a per 15-minute block
 - Any unused hours are carried over to other projects
 - Any unused hours after 18 months will be considered "spent" and will not be available for future use

All prices are exclusive of VAT at the prevailing rate (currently 20%) and any travel / subsistence expenses which are charged at cost.

Out of hours work will accrue a premium:

- Weekdays x1.5 standard rate
- Weekends and UK Bank Holidays x2 standard rate

For multiple engagement across different service lines further discounts may be available.
