01 Terms and Conditions

This document covers the Terms and Conditions for the Digitisation and Data Enhancement Cloud Services offered by Landmark Information Group (Landmark) as Lot 3, Cloud Support through the G-Cloud framework.

This Landmark service is provided under the standard GCloud 15 framework terms and conditions. Landmark may add the following terms and conditions to any G-Cloud contract at the point of enquiry if relevant to the specific service:

- Where Landmark and/or its licensors own intellectual property rights in the software and the services, this agreement does not grant the customer any rights to, or in, patents, copyrights, database rights, trade secrets, trade names, trademarks (whether registered or unregistered), or any other rights or licences in respect of the software, services or any related documentation.
- If the service required by a buyer involves the use of specific Landmark or third party data sets, and terms of usage are not already covered by existing buyer or open licences, then specific terms, conditions and IPR constraints associated to the use of those data sets within the buyer's required solution will be provided at the point of enquiry
