Terms:

Minimum 12 month contract

The Premium licence for this service includes unlimited domains.

The 'Per 90 day cycle' shows the number of domains that will achieve DMARC compliance per 90 days.

All domains included in the project will be set to P=None right away to enable reporting for all

The Base price is a fixed price per month irrespective of actual user numbers.

For 31 and above users, the unit cost is per user, per month.
