License Periods are annual unless otherwise set forth in the Order Form.

2. License Renewal

In order to provide Customer with uninterrupted access to the Software, at the end of each License Period, the Software license will renew automatically for one (1) additional annual License Period unless: (a) an authorized representative of a party provides written notice of non-renewal to the other party in accordance with Section 17.14 (*Notices*) of the Universal Terms at least sixty (60) days prior to the end of the then-current License Period; (b) the Software is no longer generally available; or (c) the Agreement has been terminated according to the *Termination* section of the Universal Terms.

Customer may terminate the Agreement as set forth in www.sas.com/termination. Obligations in the Agreement that by their nature are continuing survive expiration or termination. In addition, the terms of the Agreement will continue to apply if SAS continues to provide an Offering to Customer while the parties are in good faith negotiations to renew the Offering. SAS' provision of the Offering during any such negotiation is not fee waived.

If the Agreement terminates or expires, Customer will stop using the Offering and delete any media, Product Authorization Codes, or Documentation provided by SAS.

The Pricing Metric quantity is determined by combining the quantity associated with Customer and its Related Entities benefitting from the use of the Offering under the relevant Order Form. Customer may obtain additional support services from SAS by executing an Order Form and paying additional Fees to SAS.

Technical support also includes access to all new releases, updates, bug-fixes, security patches and other corrective code that SAS makes generally available. Customer agrees to use reasonable efforts to install such content for Software not hosted by SAS. If Customer chooses not to install the current release of the Software or instructs SAS not to install the current release of the Software in a System, the level of technical support will diminish over time. During ongoing development, SAS may rename Offerings or add, change or delete individual components or functionality in new releases of the Software or System.

4.2 Customer Contacts and Notification. Customer must establish knowledgeable technical contacts who are qualified to provide SAS with information necessary for SAS to diagnose and remedy any problems. When requesting technical support, Customer will notify SAS of any modifications to the Software or System not made by SAS. Failure to comply with these terms may result in longer response and resolution times.

5. Intellectual Property

The Agreement does not transfer any ownership rights. SAS and its licensors retain title to the Offering, any Documentation, source code, and any techniques, skills, concepts or know-how SAS utilizes or develops while performing the Agreement. Customer retains ownership to Customer Materials and any data Customer derives from using an Offering. The Software source code is a SAS trade secret. Customer and Users will not access source code or attempt to reverse engineer, reverse assemble or decompile the Software or System. Customer and Users will not remove any copyright or proprietary rights notice from any Offering. The Agreement does not limit any rights Customer may have under any open-source license covering any open-source component included in the Offering.

Use of any online training provided with an Offering but not separately listed on the Order Form is governed by the terms of the Agreement.

6. Customer Materials

6.1 Usage Rights. Customer grants SAS a nonexclusive, nonassignable, nontransferable and royalty-free license to use the Customer Materials solely to perform the Agreement.

6.2 Data Classification Forms. Before providing any Customer Materials to SAS, Customer will complete any data classification forms that SAS requests. Customer will only transmit Customer Materials to SAS using SAS-approved methods.

6.3 Format and Protection. The parties will manage any resulting schedule changes through a change control process, and additional Fees may apply.

Customer is responsible for: (a) the integrity of the Customer Materials; (b) backing up the Customer Materials, and (c) mitigating the risks inherent in storing or transmitting the Customer Materials via the System, including the risk of data loss.

6.4 Exclusions. SAS' warranties, indemnities and technical support set forth in the Agreement do not apply to Customer Materials.

6.5.1 Customer must obtain SAS' prior written approval before using Customer Materials owned by a third-party data provider in the System. If any third-party data provider requires that SAS sign a separate data use agreement in order to use such data to perform the Agreement, then Customer, SAS and the provider will sign a three-party agreement. Notwithstanding the terms of any such data use agreement, the data provided by the third party will be deemed Customer Materials, and the Customer warranties and indemnification applicable to Customer Materials in the Agreement will apply.

6.5.2 If SAS believes the Customer Materials violate applicable law or third-party rights, SAS may either: (a) require Customer to remove the Customer Materials from the System; or (b) disable the Customer Materials.

6.5.3 Customer is responsible for: (a) providing or arranging for the provision of all support, maintenance, and upgrades for Customer Materials, including up-to-date virus protections; and (b) coordinating the timing of such activities with SAS. Customer may direct the Customer Materials provider to contact SAS on Customer's behalf for technical support issues if the provider believes the issue is connected to the System.

6.5.4 SAS may disable or remove Customer Materials in the event of any emergency situation or any threat or perceived threat to the System related to the Customer Materials. SAS will not be responsible for any adverse performance impact to the System or Downtime attributable to Customer Materials or to any such disengagement. In addition, SAS is not responsible for any compromises to the confidentiality, integrity, or availability of the System or Customer Materials that are attributable in whole or in part to Customer's use of Customer Materials.

7. Preproduction Offerings

7.1 **Preproduction Offerings.** During the Term, SAS may give Customer the opportunity to preview Preproduction Offerings at no cost to Customer so that Customer may provide feedback to SAS. No additional Order Form is required for Customer to preview a Preproduction Offering, regardless of whether the Preproduction Offering is a version of a production Offering that Customer has ordered via an Order Form or separate technology. Customer will not use Preproduction Offerings for production purposes.

7.2 **No Warranty. SAS PROVIDES PREPRODUCTION OFFERINGS "AS IS."** SAS' warranties and indemnification obligations set forth in the Agreement do not apply to Preproduction Offerings. SAS does not guarantee that any Preproduction Offering or functionality will be made generally available.

7.3 **Disclaimers. NEITHER CUSTOMER, SAS, NOR SAS' THIRD-PARTY LICENSORS ARE LIABLE FOR DIRECT, SPECIAL, INCIDENTAL, INDIRECT, CONSEQUENTIAL, PUNITIVE, OR RELIANCE DAMAGES (ARISING IN TORT, CONTRACT OR OTHERWISE) RELATED TO THE PREPRODUCTION OFFERING, EVEN IF THEY HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. As Customer's exclusive remedy for breach of this warranty, SAS, at its option, will: (a) remedy such breach; or (b) terminate the applicable Order Form and refund the Fees paid for the Offering during the then-current annual period.

8.5 WARRANTY DISCLAIMERS. 10.1 Exclusion of Damages. Neither Customer, SAS, nor SAS' third-party licensors are liable for special, incidental, indirect, consequential, punitive, loss of profit, or reliance damages (arising in contract, tort or otherwise) even if they have been informed of the possibility of such damages. Except for the claims for which SAS will indemnify Customer under Section 11 (*Indemnification by SAS*), neither SAS nor SAS' third-party licensors are liable for any third-party claim against Customer. SAS' third-party licensors are not liable for any direct damages.

10.2 Limitation of Liability. 10.3 Applicability. This section does not apply to the *Indemnification by SAS* section, the *Indemnification by Customer* section, or to either party's violation of the other's intellectual property rights. The limitations in this section will apply even if any of the remedies provided in the *SAS Warranties and Disclaimers* section fail of their essential purpose. Some jurisdictions do not allow limitations of liability or exclusions of certain types of damages so certain provisions of this section may not apply to Customer. However, the provisions apply to the greatest extent permitted by applicable law.

17.5 No Waiver. Failure to require compliance with a part of the Agreement is not a waiver of that part. Nothing in the Agreement waives any remedy SAS may have under the Agreement at law, in equity, or otherwise.

17.6 Non-Assignment. Customer will not assign the Agreement or any of its rights or obligations without SAS' written permission, which will not be unreasonably withheld. If Customer attempts to assign the Agreement in violation of this subsection, that assignment is void and is a material breach of the Agreement. However, SAS may assign the Agreement to any affiliate or in connection with a merger, acquisition or asset sale by notice to Customer.

17.7 Audit. Upon thirty (30) business days' notice to Customer, SAS may conduct an audit during Customer's normal business hours to verify Customer's compliance with an Order Form. If the audit reveals that Customer owes additional fees, Customer will pay the amounts owed.

17.8 Injunctive Relief. Because monetary damages are inadequate to remedy a breach of SAS' or its third-party licensors' intellectual property rights, SAS may protect those intellectual property rights through temporary restraining orders or injunctions without posting bond.

17.9 Force Majeure. Except for Customer's obligations to pay the Fee, neither party will be liable to the other party for any failure or delay in performance caused by factors beyond its reasonable control including, but not limited to, restrictions of applicable law, epidemics or pandemics, labor disputes, acts of God, third-party mechanical or other equipment breakdowns, fire, explosions, fiber optic cable cuts, interruption or failure of telecommunication or digital transmission links, Internet failures or delays, cyber-attacks, storms or any other event that prevents performance.

17.10 Independent Contractors. SAS, its employees, and subcontractors are acting as independent contractors and not as employees or agents of Customer. Neither party has the authority to bind the other party.

17.11 Third Party Rights; No Lease. Unless specifically stated in the Order Form, the Agreement does not confer any rights upon any third parties. This Agreement does not lease any interest in real property to Customer.

17.12 Third Party Licensor Terms. SAS's third-party licensors require specific terms to be incorporated into the Agreement between SAS and Customer ("**Third Party Terms**"). Third Party Terms are available at www.sas.com/third-party-terms.

17.13 Updates to Terms. SAS may change the terms set forth in the URLs listed in the Order Form or incorporated into the Agreement from time to time. However, if the change results in a material degradation of the Customer's rights under the Agreement, SAS will provide Customer with written notice of the change by posting the notice on www.sas.com/contract-with-sas-archive.

17.14 Notices. All notices by Customer to SAS must be in writing and delivered to SAS: (a) by certified or registered mail addressed to SAS at 100 SAS Campus Drive, Cary, North Carolina, 27513, USA, Attention: Legal Department, or to the alternative SAS affiliate (if any) identified in an applicable Order Form, or (b) by email to licensing@sas.com for all notices related to renewal, non-renewal or termination of the Agreement or any Order Form. Unless otherwise specified in writing by Customer, all notices to Customer shall be in writing and sent to the address or email provided to SAS. All notices will be deemed given when received (unless otherwise specified).

17.15 Languages. The parties enter into the Agreement in English. However, Customer or SAS may enter into all or a portion of the Order Form in a non-English language. In that event, the Order Form will be binding as written but any addenda incorporated into the Order Form will be binding in English. SAS may make the Agreement available in other languages for Customer's convenience. However, the English language version controls unless otherwise required by applicable law. SAS may invoice Customer in English.

17.16 Complete Agreement. If SAS provides an Order Form as a click agreement, the Agreement will be binding upon both parties upon Customer's acceptance. The Agreement is the parties' complete statement relating to its subject matter. SAS rejects any additional or conflicting terms on purchase orders or other purchasing documents. Except as set forth in the Updates to Terms section, the Agreement may not be modified by any side agreement or arrangement between SAS and Customer, written or oral, that purports to modify the Agreement and is not accepted in writing by an authorized representative of both parties.
