NOTES AND CLARIFICATIONS

- Prices do not include any applicable VAT
- Annual pricing is for a minimum of 12 calendar months
- Platform tiers are based on the highest active user usage
- If active use of the platform exceeds the current tier thresholds (Active Users) over two consecutive calendar months, Involve / Attend Anywhere will contact the organisation to discuss the most appropriate service tier for future use.

Note: A retrospective, pro-rata discount will be applied against the current tier cost if the organisation decides to increase capacity within 12 calendar months of selecting a capacity tier. This will ensure that the effective price for the 12-month period, reflects the discount applied to the higher tier.
