Microsoft 365

Pricing Document Digital Supply Chain

1. Summary of services

Manage and procure multi-vendor cloud products, services and spend through a single portal. Our Cloud Desk provides onboarding, support and governance for cloud purchasing and operations. We also arrange Microsoft billing and contracts through your chosen licensing vehicle, including EA, EAS, CSP, MPSA or SCE, simplifying administration and reporting across your organisation.

Microsoft software is available via a comprehensive collection of user/device based subscriptions.

Example of pricing for M365 for enterprise customers can be found at the below link. The prices at the following link do not include public sector discounts which will be applied accordingly.

<https://www.microsoft.com/en-gb/microsoft-365/compare-microsoft-365-enterprise-plans>

Discounts can be achieved by committing to termed agreements and by making up front commitments which can be facilitated by Software One.

Software One will provide any licensing at the cost price – this will also include any discounts for public sector via programmes such as SPA 24.

Example pricing for a small selection M365/O365 Plans is listed below. Full pricing across the Microsoft portfolio across all agreement types is available on request. Please note that the below pricing is based on public sector customers eligible to access the SPA24 agreement and purchasing via an Enterprise agreement.
