1. Introduction

EPI-USE provides a comprehensive range of products and services across the SAP and SuccessFactors technical landscape. This includes subscriptions for both SAP solutions and EPI-USE proprietary products, as well as services covering implementation, support, and technical transformation.

This pricing document outlines the standard pricing for the subscriptions and services included within the service lines submitted for this lot.

Further detail is available within the relevant service description documents. We would welcome the opportunity to discuss your requirements and tailor a service package aligned to your organisation's needs.

Discounts and tailored subscription and service packages are available, subject to scope and organisational requirements.

2. SuccessFactors Implementations

EPI-USE offers a preconfigured set of solutions for SAP SuccessFactors, built on best practice and 40 years of implementation experience.
