Lot 3 – Cloud Support

Office 365

Service Description

This document contains confidential and propriety information for the purpose of evaluation only.
The contents of this document may not be published, disclosed or used for any other purpose.

Foreword

This proposal has been prepared by HCLTech, for the sole use of Crown Commercial Service (CCS). The contents of this document shall remain the confidential property of HCLTech and should not be communicated to any other party without the prior written approval of HCLTech.

The furnishing of this document shall be subject to contract and shall not be construed as an offer or as constituting a binding agreement on the part of HCLTech to enter into any relationship.

HCLTech warrants that, to the best of their knowledge, those who prepared this document have taken all reasonable care in preparing it, have made all reasonable enquiries to establish the veracity of the statements contained in it and believe its contents to be true. (HCLTech cannot however warrant the truth of matters outside of its control and accordingly does not warrant the truth of all statements set out in this document to the extent that such statements derive from facts and matters supplied by other persons to HCLTech. The statements in this document are qualified accordingly.)

Validity

This proposal and all information contained within are valid for a period of 180 days from January 30, 2026.

Service Description

HCL Technologies is a next-generation global technology company that helps enterprises reimagine their businesses for the digital age. Our technology products, services and engineering are built on four decades of innovation, with a world-renowned management philosophy, a strong culture of invention and risk-taking, and a relentless focus on customer relationships.

Powered by a global team of 225,000+ diverse and passionate people across 60 countries, we deliver smarter, better ways for all our stakeholders to benefit from technology. With a worldwide network of Research and Development (R&D), innovation labs and delivery centres, along with expertise in Digital, Engineering and Cloud, we deliver solutions that fulfil the traditional, transformational and future needs of clients across the globe.

HCLTech Office 365 Services

HCLTech provides the entire range of services to enable organisations to take advantage of the full collaboration suite from Microsoft, including Office 365. As a Microsoft Certified Partner we have the skills, experience and toolsets to ensure a smooth transition to these world-leading technologies within the trusted Microsoft cloud.

Features

- World-leading Software as a Service (SaaS) collaboration suite from Microsoft
- Secure, robust and scalable solution for Office 365
- Intuitive and familiar tools fully integrated into a powerful suite
- Highly available solution backed by financial Service Level Agreements (SLAs)
- Subscription based model for Office 365, always up to date
- Anywhere access across virtually all devices including mobile
- 50GB mailbox as standard, enough for the most demanding users
- High-definition video-conferencing with document sharing capability on Office 365
- Collaboration through Microsoft Teams, Yammer and Skype for Business.

Benefits

- Simplified Office 365 migration
- Easy to use and familiar interfaces on Office 365
- No infrastructure or refresh requirements
- Straightforward and easy to understand commercial model
- Latest versions of Office Suite with Office 365 no upgrades required
- Office 365 works with any device
- Integrates seamlessly with the wider Microsoft cloud tools and portfolio
- Real-time collaboration with teams through a variety of channels.
