Pricing for FDB CoordinateRx

License Fee:

£0.06 per patient per annum excluding VAT

Deployment Charge:

An additional service on top of the License Fee. Price to be agreed with the licensee, depending on local requirements.

Fixed term contracts with no break clause are available and reduce the price per patient for GP Practice dependant on duration.

FDB reserves the right to increase pricing on an annual basis by any increase to RPI.

More information is available on request.
