

Managed Next Generation Pricing Sheet

Pricing Model is based on Appliance Size with volume discounts and contract term discounts provided.

All pricing is provided as an indication. Quoted price will depend on specific customer requirement and deployment type.

Pricing in below table is based per single appliance. Discounts available on HA cluster configuration

Device Category	TSS 8x5 £'s	TSS 24x7 £'s	Essentials £'s	Premium £'s
Branch Firewall	480	600	2520	3600
Mid-range Firewall	1040	1300	5250	7500
Enterprise Firewall	2080	2600	10150	14500
DataCentre Firewall	3040	3800	14700	21000

Note:

Firewall Management Appliances are priced separately

Firewall Hyper-scaling Mgmt. Appliances are priced at Enterprise level

- Essentials and Premium Managed Services provided 24*7 support as standard
- Prices provided are for the MSS Service Subscription – Vendor Licensing Support and Onboarding costs quoted separately
- Prices are vendor neutral
- HA Clusters are priced x1.5
- Bespoke arrangements and deviation from standard services will cause price adjustments to be sized, scoped and quoted separately
- Please see next page for indicative examples ->
