Conditions of Supply:

- A Bodyshop rate card can only be used for bodyshop / augmentation services where Technimove are supplying skilled resources to a Client to direct and manage. There are no outcomes that are the responsibility of Technimove to deliver. A project rate card covers outcome-based project work with rate card pricing based on sub-50 days combined consultancy and engineering effort, or 50 or more days of combined effort (N.B. PMO is excluded from this effort count).
- Core Working Hours are 09:00 to 17:30, Monday to Friday excluding Public Holidays.
 - Work carried out during Core Working Hours is charged at the Day Rate
 - Overtime work, carried out outside of Core Working Hours or on Saturdays, is charged hourly at 1.5 times the pro-rated Day Rate excluding Sundays and Public Holidays.
 - Overtime work, carried out on Sundays or Public Holidays, is charged hourly at 2 times the pro-rated Day Rate.
- The minimum period that can be utilised and charged for is:
 - A full day between Core Working Hours for on-site work.
 - Half a day between Core Working Hours for remote work.
 - One hour for Overtime, Out-Of-Hours, Weekend and Bank Holiday work, although please note that travelling time will also be charged if work is not performed remotely.
- Where remote working is not possible:
 - For work to be performed during Core Working Hours, travel in excess of one (1) hour from the resource's base location, is either to be carried out during Core Working Hours, or additional time will be charged pro rata at the prevailing Day Rate for each extra hour travelled.
 - For work performed as Overtime, Out-Of-Hours, Weekend and Bank Holiday work, travel time will be charged pro rata at the prevailing Day Rate for each extra hour travelled.
- This rate card is for UK-supplied resource only. Resource requested outside of UK will be priced on request. Other roles are available through our extensive partner network, although not commonly requested. If in doubt as to whether Technimove can supply a resource type not in the standard list, just ask the Services Team or pre-sales.
- Onsite resources supplied by Technimove are assumed to be working outside IR35. Where Inside IR35 is a requirement, resources will be priced on demand and can be assumed to be c.40% higher.
- Technimove's rate card is reviewed on an annual basis and can go down as well as up. Please ask for a current
