Two-Factor Authentication

Redcentric Two-Factor Authentication (2FA) Service offers a robust, flexible, and secure way to authenticate user connections requests to network devices. The 2FA Service can be deployed on both Customer managed and Redcentric managed network devices. The 2FA Service offers a far more secure and scalable alternative to static passwords.

Two-Factor Authentication is compatible with Managed Firewall Service.

Pricing

All prices exclude VAT.

This Service is subject to a Call-Off Contract Period of 36 months and a Minimum Period of Service of 12 months.

Lot 2 discounts will be applied to the prices set out in this Price Card and calculated based on the total annual Call-Off Contract value – see Table 1 for details.
