TES pricing framework

TES are a Microsoft Dynamics Gold / Solutions Partner for Business Applications specializing in the implementation, support and development of Microsoft software into Public, Charity and NFP sectors. Our core offering is centered on the Microsoft Dynamics platform and provides an end-to-end solution for the Public Sector, Charities and NFPs for everything from Finance to Fundraising.

As a Microsoft Gold Partner, TES' expertise is in the delivery and maintenance of Microsoft software. TES provide professional services, ongoing support and licence management services.

Professional Services

Provided in support of Microsoft software implementation, Microsoft software upgrades or enhancements and platform consultancy. Pricing is based on the TES Skills For the Information Age (SFIA) Definitions and rate card and the individual requirements of the project being undertaken.
