Where services are delivered at customer premises attendance will be agreed and expenses will be charged at cost and subject to maximum cost per our Rate Card.

Charges become payable as soon as the cloud environment is populated with your data.

Test and training system is quoted on basis of availability in normal working hours and working days (9-5pm, Monday to Friday excluding Bank Holidays). The price will vary according to the number of customers where in a shared tenancy.

The solution comes with a set of Standard Templates and a Template Manager to enable you to manage and amend standard templates. Complex Templates and Reports will be charged according to the Rate Card.

Training

Every User and every Organisation will have different training requirements according to need. In the case of an upgrade or additional GSA system it will be different to a first time GSA customer.

GSA offer full User Course (typically 2 days), Train the Trainer, Refresher Courses. These can be at GSA bespoke training facility or on site. Where on site expenses are chargeable per Rate Card.

Floor walking on customer sites is another popular manner of training delivery/confidence generation.

Training cost is a day rate based upon a minimum 5 delegates:

Training Rate Per Day	Cost
Minimum 5 attendees	£1640
6 attendees	£1690
7 attendees	£1744
8 attendees	£1795
9 attendees	£1850
10 attendees	£1900
